

# ALUMINUM STORM DOORS

# MODERN

## 2 1/4" Flat Modern Frame

A bold modern design, built with old fashioned quality to dress up any entry door with style and functionality. The 2 1/4" thick door comes prehung with screw cover set and has a standard DX handle, or upgrade to an Elite Lever. Also available with a retractable screen.

## Optional Retractable Screens

Hidden away when you don't need it and simply roll down from the top when you need some fresh air. Mounted in the frame for a cleaner look. Available only on the 2 1/4' doors SS, DSS, 3LSS, and FL.

SS
